The screenshot displays a Justdial listing for 'Sri Yellamma Restaurant & Bar'. The listing includes a search bar with the restaurant name, a 'Free Listing' badge, and user options like 'Login / Sign Up'. The main image shows a plate of food. Below the image, there are icons for 'Map', 'SMS/Email', 'Write a Review', 'Your Vote (-)', 'Edit This', and 'Manage Campaigns'. A section for 'Reviews' shows a 4-star rating from 'Mr Gyaneshwar'. A 'More Information' section lists 'Phone number, Address, Official website, Get Directions/Map etc.'. A 'Price range' section shows '₹ 500 - ₹ 1000'. A green 'Menu' button is prominently displayed. The bottom of the screenshot shows a Windows taskbar with the time 2:03 PM on 10/31/2019.

S. R. Solar Systems

S. R. Solar Systems, a sole proprietorship company, started its business in **2006** as a **manufacturer and supplier** of a broad spectrum of **Solar Light System, Solar Water System, Solar Inverter & Cooker**. These categories include some products, which are Solar Water Heater, Solar Water Heating System, Solar Street Light System, Solar Home Light System, Solar Lantern System, Solar Inverter & Cooker. Manufactured using premium quality raw material, our products are well-known for their high tensile strength, reliable performance, efficient working and trouble free performance. Moreover, using advanced techniques in our production process, we have keep ourselves in pace with the existing market tendencies and growing customers requirements. Empowered with all requisite talent and tools, our company is capable of providing customer specific range along with their designs and drawings specifications. Our dedicated approach towards the customers and unwavering attitude towards our business has made our strong presence in Subcontinent. Apart from this, different payment options are provided to clients, in order to make hassle free monetary transaction.

We execute all our business operations under the careful and prudence guidelines of **Mr. Raj Kumar**. His support and sharp industrial experience have enabled us to acquire a desired market place and also meet the actual specifications of clients. It is due to his years of experience in this field and sharp business intellectuals that today our firm has achieved a desired market place.

Our company has developed an ultramodern infrastructure, which spreads across a large area and is well-outfitted with all required as well as latest business amenities. Moreover, our infrastructure in well-segregated into various departments, which include production, quality testing, warehousing & packaging, research & development, sales & marketing, administrative, logistics and many others.
